

# MILISAV ŠAPIĆ

---

## Frontend Developer | JavaScript Specialist

Belgrade, Serbia | sapicmilisav@gmail.com | +381 63 721 2251

### PROFILE:

---

Frontend Developer with 7+ years of experience dedicated to crafting high-performance web applications with precision and purpose. I bridge the gap between complex WordPress ecosystems and modern Next.js solutions to build stable, scalable, and aesthetic digital products. My focus is on writing clean, performant JavaScript and creating intuitive interfaces that deliver real results for users and teams alike.

### EXPERIENCE:

---

#### Del Systems

##### JavaScript Developer | November 2024 – Present

- Develop and maintain frontend components using modern JavaScript
- Integrate backend services to create dynamic, interactive web applications
- Build scalable and maintainable solutions focused on performance and UX

#### Qode Themes

##### Creative Developer | March 2021 – August 2024

- Implemented interactive JS animations and dynamic UI elements for premium WordPress themes
- Transformed static designs into responsive, optimized interfaces
- Collaborated closely with design and backend teams to deliver polished, scalable products

##### Web Developer | September 2018 – February 2021

- Converted PSD/XD designs into functional WordPress themes
- Developed custom shortcodes and theme options using HTML, CSS, and PHP
- Ensured cross-browser and cross-device compatibility for smooth user experiences

##### Support Consultant | March 2018 – August 2018

- Provided technical support for premium WordPress themes to global customers
- Resolved complex frontend issues, improving overall user satisfaction

### EDUCATION:

---

#### BSc in Information Technology (2022)

Faculty of Informatics and Computing, Singidunum University

- Completed first two years at School of Electrical Engineering, University of Belgrade

### TECHNICAL EXPERTISE:

---

- **Core Development:** JavaScript (ES6+), React, Next.js (App Router), TypeScript, HTML5, CSS3/SASS
- **UI & Design Systems:** Tailwind CSS, Framer Motion, Figma, Pixel-Perfect, Responsive Design
- **Ops & Ecosystem:** GitHub Actions (CI/CD), YAML, Vercel, Git Flow, WordPress, PHP, MySQL

### LANGUAGES:

---

- **English** – Professional Working Proficiency (B2). Capable of communicating technical concepts and collaborating effectively in international team environments.
- **Serbian** – Native
